

SC 5200 BT

WALK-BEHIND FLOOR SCRUBBER

Compact. Efficient. Reliable cleaning performance.

TECHNICAL SPECIFICATIONS

Rated voltage	DC24V
Working width	510mm
Water absorption width	760mm
Work efficiency	2000 m ² /h
Brush	510mm
Brush speed	150rpm
Brush motor	24V:550W
Motor	300W
Brush plate pressure	30kg
Suction motor	24V:500W
Vacuum	180mbar
Turning radius	600mm
Clean water tank capacity	50L
Sewage Tank Capacity	55L
Noise level	65dB
Battery	2×DC12V 100Ah
Battery weight	70kg
Machine weight (without battery)	85kg

KEY FEATURES

Efficient Cleaning

Up to 2000 m²/h cleaning efficiency

Wide Suction Path

760 mm water absorption width

Robust Brush System

510 mm brush and 150 rpm speed

Large Tank Capacity

50 L clean water / 55 L sewage tank

Battery Powered

DC24V system with 2×DC12V 100Ah battery
