

# WALK-BEHIND FLOOR SCRUBBER

# SC 5200 E

Compact. Efficient. Reliable cleaning performance.

## TECHNICAL SPECIFICATIONS

|                                    |                        |
|------------------------------------|------------------------|
| Rated voltage                      | 220 V                  |
| Working width                      | 510 mm                 |
| Water absorption width             | 760 mm                 |
| Work efficiency                    | 2000 m <sup>2</sup> /h |
| Disc brush diameter                | 510 mm                 |
| Disc brush rotation rate           | 150 rpm                |
| Disc brush motor                   | 750 W                  |
| Disc brush pressure                | 30 kg                  |
| Water absorption motor             | 600 W                  |
| Vacuum degree                      | 180 mbar               |
| Turning radius                     | 600 mm                 |
| Clean water tank capacity          | 50 L                   |
| Sewage tank capacity               | 54 L                   |
| Noise level                        | 65 dB                  |
| Machine weight (without batteries) | 75 kg                  |
| Wire length                        | 25 m                   |

## KEY FEATURES

**Efficient Cleaning**  
Up to 2000 m<sup>2</sup>/h

**Wide Suction Path**  
760 mm  
absorption width

**Robust Brush System**  
510 mm  
disc brush

**Large Tank Capacity**  
50 L clean /  
54 L sewage

**Electric Powered**  
220 V with  
25 m wire length
